[Journal Year 19 Confidential with Watermark and Decoded Text.pdf](#)

---

This is Year 19, plus separate attachment with decoded text only.

There are also contemporaneous journals from [REDACTED]  
[REDACTED] with a lot of content about JE and GM, mentions [REDACTED] and [REDACTED] (who I believe is [REDACTED] because [REDACTED] says [REDACTED]).  
Do you want me to send you those?

Also – I strongly believe that there is at least one video circulating on some disgusting sex site with [REDACTED] in it.  
[REDACTED] told me in the beginning that she was videotaped at a hotel in [REDACTED] – where [REDACTED] is held.

I know the names of at least two of the men who she had to have sex with during this incident - there were 6 men there and she had to be with 3 of them. One of them is a former friend of Leon Black's and both men likely knew JE.

She was contacted “randomly” by some guy while she was playing an online game who told her he had seen a video with one girl having sex with 3 men in a row and it looked like her.

All I have is the screen shot I made her send me from this guy – but who knows who he is - these gamers use fake names all the time.

If you want more information on this item let me know, I will send what I have.

Jeanne
