[REDACTED] - unless you disagree, I'll just tell [REDACTED] that I will respond to Jeanne directly and try to limit the back and forth. As discussed with [REDACTED], there does not appear to be any evidence of overlap with Maxwell other than the allegations of the victim in DANY's open investigation of Black and CRU doesn't intend to open anything separate based on current information.

Thanks,

Please see below. [REDACTED], have you been able to circle back with Jeanne after reviewing the DANY materials? I can respond and copy you to remind her to reach out to you, unless you'd prefer a different approach. Copying [REDACTED] and [REDACTED] since this overlaps with Epstein/Maxwell.

[REDACTED]  
In case you have not heard it has been discovered that Leon Black paid 62.5 million to USVI - and this does not include payments of money to individual women - it's outrageous that criminal charges have not been brought against him.

I've heard one lawyer represents ten women that he sexually assaulted.

I hope that your office is going to take a hard look based on this new information.
